

## EQ Upload Service

*customers will love this convenient new service they can't get anywhere else!*

New in the APM 7.0 order process, a customer can choose to upload her photos from the kiosk directly into her collection on your custom Photo Finale site. **Offer a convenient service while building your site membership!** Retailers pay a transaction fee of 50¢ for the first 100 photos and 1¢ each photo over 100, but can set pricing that works for your business...mark up the service or offer as a free service and cover your costs with membership fees.

*Bonus! Customers can download photos from online collections for use at the in-store kiosk! FREE!*
