

Minilab Photo Books

(made from traditional prints!)

Print

Stack

Staple

Bind

Minilab photo books are one-sided 10x8 or 8x6 silver halide, inkjet, laser or dye sub prints, stapled and adhered inside a binding. Satisfy demand for books and wow customers with high-quality pages and on-site service. These books are the perfect solution for stores who want to offer photo books printed on their existing equipment! You need an APM with EQ Pro, the stapler and guide and the covers...assembly takes about 1 minute!
